

## Halloween Spooktacular

The Elementary School Halloween Spooktacular was a great success! We sold 600 trick-or-treat tickets and had about 1000 people at the event! A variety of delicious foods and American candy was sold in the Aula and a visit to the smoking and boiling witches' brew was a highlight! The groups outside braved the cold weather and provided great booths and activities! The kids (and even some parents) dressed up with great enthusiasm and the cheerleaders dancing to the Thriller was to die for!

The Parent Council would like to thank all of the volunteers who helped at the event, especially the decoration crew, Chuck McDaniel and Dallas Becker for transforming the Aula into an incredible Halloween scene.

Many thanks to Buschmann and Winkelmann for the donated pumpkins. Thanks to Riller and Schnauck and Isico Sportshop for the key chains!

Our success was made possible by the creativity of the booth operators, which were:  
Odyssey of the Minds : Science Magic  
ISTA Drama: Dracula Coffin

CSA: Chop Shop  
ES Library: Spooky Stories
