Usage of the ordering and billing software for free lunches for grades 0-6 at the John F. Kennedy School

Dear parents,

As your school caterer, Graefewirtschaft Catering GmbH is using a uniform, user-friendly ordering and billing software for the John F. Kennedy School lunch program. Your child is eligible to receive a free lunch every day. In order for your child to participate in the school lunch program for the upcoming school year, please complete the steps in the attached instructions in advance.

You can access the registration and login portal at **<https://graefewirtschaft.clients.pca.de>** or via the QR code opposite.

On the website, you have the option to have the text translated into another language.

If your child is unable to attend on certain days, please notify us in advance to avoid food waste.

The company PCA Professional Card Administration GmbH from Hamburg has been commissioned to implement the ordering and billing system. If you have any questions, please do not hesitate to contact the team at the PCA Service Center at **schule@pca.de** or phone **040-654 983 64**.

Kind regards
