

## **First Information Regarding the 8<sup>th</sup> Grade Ski Trip**

Dear Parents of 8<sup>th</sup> Grade Students,

Many things will be different this year due to the ongoing Covid-19 situation, including the 2023 8<sup>th</sup> grade ski trip. Currently we are allowed to **plan** this year's ski trip, and, hopefully it will also be able to take place if the pandemic in both Germany and Austria remain hopeful. Although this future development cannot be predicted, it does take time to plan and organize such a trip; therefore I would like to give you the initial information concerning the 2023 8<sup>th</sup> grade ski trip today:

The 8<sup>th</sup> grade class trip is traditionally a **SKI TRIP**. This year's trip is scheduled from **SUNDAY, 05 March 2023 until Friday, 17 March 2023**. The trip will take place in **Bruck, Zillertal/AUSTRIA**. Prior to the trip, during the bus rides, while skiing, in the guesthouse and also during free time students will have to follow a hygienic concept. Our guesthouse is following the guidelines for Tyrol in Austria.

This trip is one of the well-known school sponsored activities for our students. Besides providing qualified ski instruction on all ability levels, we will offer various events to improve social experiences for the entire group.

The school will provide mandatory instruction for those students not participating in the ski trip.

The accommodation in Bruck is an Austrian guest house that is quite suitable for the purpose of our class trip. There are 3-, 4-, 5-and 6-bedrooms, all of them with showers.

The goals of this class trip are very important ones - especially for the students from our school:

- improvement of relationships between Americans, international students and Germans
- integration of all students
- dealing respectfully with other cultures
- entire grade level participation
- offering a sport (SKIING) that is new to many students

Every student has the opportunity to be an important member of our class trip; nevertheless, **participation in this class trip is a privilege** that each student must earn. Therefore, inappropriate behavior from individual students will revoke this privilege.

Approximate cost will be: **679,00 EURO**.

This includes the following:

|                                     |             |
|-------------------------------------|-------------|
| full board and lodging              | 460,00 EURO |
| travel cost                         | 80,00 EURO  |
| ski lift and various other expenses | 139,00 EURO |

It is possible to rent equipment through the school. The rental will be 70,00 EURO extra (for skis, helmet, ski boots and poles). Students who can ski already will pay 25,00 EURO extra for higher lift ticket expenses during the first days.

***No child should have to stay home for financial reasons, if at all possible!***
