Berlin, February 2026

Dear students and parents,

This will be the last information given concerning this year's ski trip.

We would like to remind you once again:

For the students there is absolutely no smoking or alcohol allowed during the entire ski trip!! Intimacies are not allowed! Use/ Abuse of any kind of drugs during the trip will lead to an exclusion from further participation!

Due to limited space on the busses, we request that you bring only one suitcase or duffel bag (normal size) and one small handbag (ski boots separate) per person.

We hope that we have done everything to assure a successful trip. Our thanks go to our colleagues for supporting the trip and our appreciation goes to the parents for their willingness to make the financial sacrifice that the price of the trip means for many families.

Now, the success of the whole trip depends a great deal on YOU, the students.

DEPARTURE:

Sunday, March 1, 2026 in front of JFK-School **at 8:00 a.m. Meeting time: 7:15 a.m.**

We'll get our first meal in the evening in Bruck. Therefore please, take enough snacks and drinks for the bus ride.

When checking into the bus, all participants will have their temperature taken. If your child shows a temperature of **more than 38°C (100 F)**, we will NOT take your child with us. A later arrival after your child has recovered is of course possible.

ARRIVAL in Bruck:

Depending on the weather and road conditions, we will arrive in the late afternoon or evening. The arrival time can be found shortly afterwards on the JFKS website.

RETURN TRIP:

The return trip has been planned for Friday, March 13. Departure from Bruck/Zillertal will be at about 8:00 a.m. Since most students have their own cell phone, the easiest way to inform the parents of our exact arrival time in Berlin would be through personal contact with your child.
