RULES

Hate Speech Policy

As adopted by JFKS, hate speech is defined by the United Nations as: ***any kind of communication in speech, writing or behaviour, that attacks or uses pejorative or discriminatory language with reference to a person or a group on the basis of who they are, in other words, based on their religion, ethnicity, nationality, race, colour, descent, gender or other identity factor.***

Hate Speech Policy

When a form of hate speech is used by a member of our school community, the following response will apply:

- 1) Immediately name the behavior and say, **“We do not do that here.”**
Do not ignore or assume that it is “normal” child behavior.
- 1) Report the incident to a ski trip chaperone *and* he/she will provide written documentation.
- 2) The ski trip leader will inform the parents/guardians and to discuss the student’s conduct.
- 3) The ski trip leader will inform the principal to decide upon additional disciplinary measures, as necessary.
