- The chosen sports course must fit into the individual schedule!
- Always indicate an alternative if the 1st choice cannot be made possible.
- Please note that, as a rule, **Performance Level II** (e.g. Badminton II) can only be taken if **Performance Level I** (e.g. Badminton I) has already been taken in a previous semester.
- Fitness can only be taken once in the baccalaureate year. (American Sports counts as a fitness course for high school graduates*).
- During the 4 semesters at least one sports course **without ball (A, C, D, H, E)** must be taken.
